Hi Fara,

Hope you are doing well. I think the last time we met up in St. Louis was before Covid.

Together with local counsel Alexis Tahinci, I represent Kat Dahl, a former SAUSA in the Eastern District of Tennessee who was a whistleblower as to complicity between a local police chief, his department, and a well-known drug dealer and serial rapist who is at large (thanks to local officers tipping him off about a sealed federal indictment and arrest warrant). Dozens of female rape victims have been identified and/or are now coming forward.

Our client Kat is also represented by my good friend and law school classmate John Tye. John is based in D.C.
